

Looking for “Club Ball” quality coaching without all the travel and expense?

Join the Peninsula Winter Baseball League!

******Program Details Below******

I am thrilled to announce that for the third year in a row the four Peninsula Little Leagues will offer its players the opportunity to work with Dan Spring and his outstanding "Spring Training" staff of professional coaches all fall/winter long....and you won't have to travel hundreds of miles or pay thousands of dollars for the privilege!

Our goal this season is the same: to improve the quality of the experience for Winter League participants as well as the overall level of play in the four Peninsula Little Leagues. By offering an improved fall/winter program featuring weekly practices with professional coaches, it is our hope that participating Little Leaguers will improve their skills in preparation for the 2009 spring season while having a more worthwhile and positive winter experience.

Once again, Spring Training Baseball Academy Director Dan Spring and his staff will run weekly practices and evaluate game performances for the entire winter season. This Winter League includes one mid-week practice with Dan and his staff and one Sunday game each week. Skills that will be covered extensively during the mid-week practices include: catching & throwing; infield defense; outfield defense; base-running; pitching; backing up bases; defensive communication, fly ball right-of-way; and extensive hitting drills. Coach Spring and his staff will also be present at the Sunday games in order to evaluate individual strengths and weaknesses so they can be addressed at future weekday workouts. Additionally, the Spring Training Baseball playing philosophy emphasizing hustle, effort, teamwork, respect for the game, and hitting the books in the classroom will be the underlying themes at all workouts.

For those of you who don't know Dan Spring, he has been a staple at Little League fields in and around Palos Verdes for over 5 years and has more than 12 years of youth coaching experience. He is a graduate of Brown University and played professional baseball in the Tigers' and Cardinals' organizations. His extremely popular summer baseball camp season concludes August 28nd and his fall clinic and private lesson program begins in September.
